

Profession Specific Continuing Education

ICISF offers Profession Specific Continuing Education Units (CEUs) for *some* presentations. ICISF World Congress 17 website lists what, if any, profession-specific CEUs are available for each presentation. (see presentation descriptions for specifics). The ICISF is an approved provider for the following Profession-Specific Continuing Education:

Employee Assistance Professionals Association (EAPA)

Employee Assistance Professionals Association (EAPA) has approved some World Congress 17 presentations for Professional Development Hours (PDHs). Only those specific presentations indicated on the World Congress 17 website as approved by EAPA are eligible to receive PDHs. If you are interested in PDHs for EAPA, a \$20.00 registration fee is required. Those registering will receive additional details.

The following World Congress 17 presentations are approved by EAPA:
